# Empowering Academic Growth

## with MDPI Academic Publishing Workshop

# MDPI is a publisher of fully peer-reviewed, open access journals with a focus on robust and rapid editorial processes.

As a pioneer in scholarly open access publishing, MDPI has supported academic communities since 1996. Headquartered in Basel, Switzerland, MDPI aims to foster open scientific exchange in all forms, across all disciplines.

Our 400+ diverse journals are supported by more than 295,000+ academic experts who share our mission, values, and commitment to providing high-quality services for our authors. We serve scholars from around the world to ensure that the latest research is freely available. In line with our mission, all MDPI content is distributed under a Creative Commons Attribution License (CC BY).

## MDPI in Romania

With established offices in the major Romanian cities of Cluj-Napoca and Bucharest, MDPI provides the local academic and research community with the benefits of its extensive experience in publishing a wide range of journals in different disciplines.

As a global leader in open access publishing, we empower researchers and academics by providing high-quality publishing services and a platform for sharing their groundbreaking work with a wider audience. Our unwavering commitment to transparency, fairness, and accessibility ensures that our published research is freely available to all, thereby enhancing the visibility and impact of scientific endeavours in Romania on a global level.
